MANZANO UD

COMEC GROUP propone una sempre più completa gamma di macchine speciali per la produzione delle sedie, tavoli, letti, lettini e complementi d'arredo. L'integrazione del know-how delle tre aziende produttrici ha permesso un costante sviluppo dei prodotti offerti, che spaziano dalle piccole macchine per operazioni complementari alle linee automatizzate ad elevata produzione .

COMEC GROUP offers an always more complete range of special machines for the production of the chairs, tables, beds, baby cribs and furniture objects. The integration of the know-how of the three manufacturing companies has permitted a constant development of the offered products, which go from the smaller machines for complementary operations up to the automated lines with high production.
