Heads for all kind of sandingmachines

Quality • not only on the surface

Machines for handsanding

Motorbike

Profile

Woodsanding and denibbing can be better, and easier!

Flex-Trim is the market's leading specialist in surface sanding within the woodworking industry. Our products are developed by wood people, for wood people. Our goal is to promote optimum quality in our customers' products. That's why we offer comprehensive expert advice that preferably includes the customers' entire production process. Our knowledge is the customer's knowledge.

That's why Flex-Trim means quality – not only on the surface.

Quality • not only on the surface
