**Steton divisione presse**  
una vasta gamma di presse  
e linee complete di pres-  
satura per impieghi classici  
e per tecnologie specifiche,  
da oltre 35 anni, esportate in  
tutto il mondo. La flessibilita  
della Steton consente la forn-  
itura di attrezzature perso-  
nalizzate, anche di tipologie  
diverse da quelle presentate  
in questo prospetto.
